

Mutual Cash Fund (MCTDF)

Deposit fund with daily access

Mutual Limited

Mutual Cash Fund (MCTDF) is a low cost managed fund investing in Big 4 bank deposits and cash. The Fund targets a net return of 0.50% pa above the Bank Bill Swap Rate while offering daily access and unit pricing.

✔ More diversified

MCTDF is invested across numerous at call and term deposits offered by the Big 4 major Australian banks only - ANZ, CBA, NAB and Westpac. Fund investors are not exposed to any singer borrower or investment term.

✔ Rising rates, rising returns

By investing in different deposits with differing maturities, the Fund may enhance its returns more quickly than investing in a single deposit that rolls over at maturity.

✔ Access anytime

The Fund does not require investors to lock up their money for months until maturity. Daily unit pricing allows daily access to funds.

Reliable track record

The Fund is managed by Mutual Limited, an Australian-based fixed income fund manager.

The Fund has never had a negative daily return and has never been unable to fund redemptions. This record reflects its low risk profile.

A more responsive return profile

With a wide spread of deposits across a range of maturity dates, the Fund is designed to provide deposit like returns with liquidity. By design the Fund has a large exposure to the RBA rate and will reflect a higher return as and when the RBA increases the cash rate.

Investors can expect the gross running yield to continue to increase in a rising rate environment.
